

Summer 2016 Camps for young upcyclers!

grades 4—8, at the
Oldham County Schools Arts Center

Instructor: Leah Bradley, Creative Reuse Artist

Projects may vary from what's pictured. We'll use materials we have in stock or can find, because the goal of this class—and all creative reuse—is to only use discarded materials, extending their life and diverting them from the landfill.

Upcycled Textiles Camp

June 13—17, 2016 | 1:00—3:00 pm

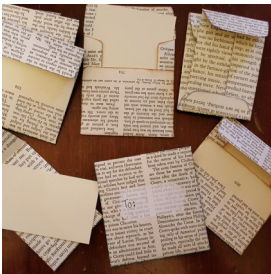

Denim and buttons and t-shirts, oh my!
In this class campers will make all kinds of upcycled creations using discarded fabrics and sewing notions.

Paper Crafts Camp

July 11—15, 2016 | 1:00—3:00 pm

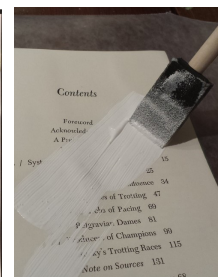

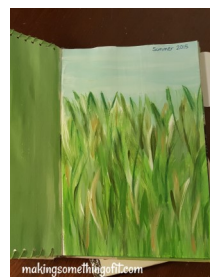

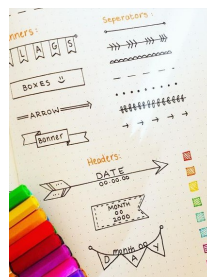

From flowers to feathers, gift tags and envelopes, paper wreaths and more, campers will learn all the ways they can upcycle the inside of a book!

Sketchbooks and Journals Camp

July 18—22, 2016 | 1:00—3:00 pm

Campers will create a one-of-a-kind sketchbook or journal from a discarded library book, then learn a variety of ways they can use it—smashbooks, scrapbooks, bullet journaling, we'll try it all!

Oldham County Schools Arts Center
7105 Floydsgburg Road
Crestwood, KY 40014
